1. Acceptance

The purchase order is an offer by American Standard Circuits, Inc. (the "Buyer") for the purchase of the goods (the "Goods") or services (the "Services") specified, from the party to whom the purchase order is addressed (the "Seller") in accordance with and subject to these terms and conditions (the "Terms"; together with the terms and conditions on the face of the purchase order, the "Order"). This Order will be deemed accepted by the Seller upon the first of the following to occur: (a) Seller making, signing, or delivering to Buyer any letter, form, or other writing or instrument acknowledging acceptance; (b) any performance by Seller under the Order; or (c) the passage of ten (10) days after Seller's receipt of the Order without written notice to Buyer that Seller does not accept. This Order, together with any documents incorporated herein by reference, constitutes the sole and entire agreement of the parties with respect to the Order and supersedes all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, with respect to the subject matter of the Order, unless a separate overriding written contract has been entered into and signed by the parties. The Order expressly limits Seller's acceptance to the terms of the Order. These Terms expressly exclude any of Seller's terms and conditions of sale or any other document issued by Seller in connection with this Order.

2. Delivery

Seller shall deliver the Goods and/or perform the Services at the delivery point (the "**Deliver Location**"), and on the date(s) specified in this Order (the "Delivery Date"). If no delivery date is specified, Seller shall deliver in full within a reasonable time of receipt of the Order. Timely delivery is of the essence. If Seller fails to deliver the Goods or Services in full, on the Delivery Date, Buyer may terminate the Order immediately and Seller shall indemnify Buyer against any losses, damages, and reasonable costs and expenses attributable to Seller's failure to deliver.

3. Inspection

Buyer reserves the right to inspect the Goods on or after the Delivery Date. Buyer, at its sole option, may reject all or any portion of the Goods if it determines the Goods are defective or nonconforming. If Buyer requires replacement of the Goods, pursuant to Section 4, Seller shall promptly replace the nonconforming Goods. If Seller fails to timely deliver replacement Goods, Buyer may replace them with goods from a third party and charge Seller the cost thereof and terminate this Order for cause pursuant to Section 8. Any inspection or other action by Buyer under this Section shall not affect Seller's obligations under the Order, and Buyer shall have the right to further inspection after Seller takes remedial action.

4. Cumulative Remedies

The rights and remedies under this Order are cumulative and are in addition to any other rights and remedies available at law or in equity or otherwise. If Seller is in breach of the warranties set out in Section 9, Seller will, at its sole cost, replace or repair the Goods or re-perform Services to Buyer's satisfaction.

5. Price and Payment

The price of the Goods or Services is the price stated on the face of this Order (the "**Price**"). Seller shall invoice Buyer for the Order within thirty (30) days of delivery. Unless otherwise stated in the Order, Buyer shall pay all properly invoiced amounts due to Seller based on payment terms on the face of the purchase order after receipt of such invoice, except for any amounts disputed by Buyer. The parties shall seek to resolve all such disputes expeditiously and in good faith. Seller shall continue performing its obligations under the Order notwithstanding any such dispute. Without prejudice to any other right or remedy, Buyer reserves the right to set off any amount owing to it by Seller against any amount payable by Buyer to Seller. Payment of an invoice is not evidence or admission that the Goods or Services meet the requirements of the Order.

6. Hazardous Wastes

If at any time Seller generates any hazardous waste(s) on Buyer's property or site, as defined in 40 C.F.R. §261.3, Seller will immediately notify Buyer and Seller will comply with Buyer's policies and practices, and any applicable law, regarding management of hazardous wastes.

8. Termination

Buyer may terminate this Order, in whole or in part, for any reason upon thirty (30) days' prior written notice to Seller. In addition to any remedies provided herein, Buyer may terminate this Order with immediate effect, either before or after acceptance of Goods or Services, if Seller has breached any of the Terms herein. If the Seller becomes insolvent, commences or has commenced by it or against it bankruptcy proceedings, receivership, reorganization or assignment for the benefit of creditors, then the Buyer may terminate this Order. If Buyer terminates the Order for any reason, Seller's sole and exclusive remedy is payment for the Goods or Services received and accepted by Buyer prior to the termination.

9. Warranties

Seller warrants to Buyer that for a period of eighteen (18) months from the Delivery Date, all Goods, Services or Goods furnished in connection with Services will: (a) be new and free from any defects in workmanship, material and design; (b) conform to applicable specifications; (c) be fit for their intended purpose and operate as intended; (d) be free and clear of all liens, security interests or other encumbrances; and (e) not infringe or misappropriate any third party's intellectual property rights. These warranties survive any delivery, inspection, acceptance or payment. These warranties are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of Buyer's discovery of the noncompliance. If Buyer gives Seller notice of noncompliance, Seller shall, at its own cost and expense, promptly replace or repair the nonconforming Goods or Services.

10. Indemnification

Seller shall defend, indemnify, and hold harmless Buyer and Buyer's parent company, its subsidiaries, affiliates, successors or assigns and its respective directors, officers, shareholders, and employees (collectively, "Indemnitees") against any and all loss, injury, death, damage, liability, claim, action, judgment, interest, penalty, cost or expense, including reasonable attorney and professional fees and costs, and the cost of enforcing any right to indemnification hereunder (collectively, "Losses") arising out of or occurring in connection with Seller's performance of its obligations or Seller's negligence, willful misconduct or breach of the Terms of this Order or possession of the Goods infringes or misappropriates the patent, copyright, trade secret or other intellectual property right of any third party.
